

Listen to the Word of God

by Rick Lang

As you live your life each day, don't let Satan's evil ways
Lead you into his wicked world of sin
You can learn right from wrong, through the Holy word of God
And He will show you, if you will only listen to Him

***CHORUS**

Listen to the word of God... to what is right and what is not
Heed the voice that calls you... He will lead you to paradise
Hold Him in a warm embrace... feel His ever-loving grace
But don't wait 'till it's too late... or you'll be lost to the other side

He'll forgive each and every one, for all the wrongs that you have done
If you'll just fall down on your knees and pray to Him
When His words of truth unfold, they will ease your troubled soul
My brothers lift up your hearts and let Him in
