

## **A Mother's Love**

by Rick Lang/Kim Lang/Heather Lang

The first time a baby lies in its mother's loving arms  
There's a bond that forms between them, stronger than the oceans tides.  
For it's a special kind of love that flows from a mother's heart  
The greatest wonder in this world of ours.

### **\*CHORUS**

There's no love like a mother's love  
There's no heart that could care as much  
Sent to us from the heavens up above...a mothers love

When you hurt, a mother's love will help to ease your pain  
Understands your every fault, forgives your worst mistakes.  
When this world gives up on you, and you're filled with deep despair  
You always know there's someone who still cares.

### **\*CHORUS**

### **\*BRIDGE**

There's a glow in a mother's smile  
Brighter than the sun in the summer sky.
